Tel No

This is the time of year when your Committee needs a steer on what to arrange for the next 12 months. So please come to the meeting next Monday the 2nd February with a bag full of proposals for us to slot into the programme or phone the committee if you can't make it.

But first please give thanks for a very special member of the Committee whose funeral is on the 4th. Dear Hazel Annenberg leaves a huge gap in our circle. Our love and thoughts to Bob and her family. Bob wishes to thank all for their kindness.

To know her was to love her

Here are some of the things we have done (or considered) which you may wish to repeat.
