Fabulous Summer puddings thanks to Erika and the rest of the Chappesses – and another £100 in the coffers. And what memories in Betty's scrap books! A full house in Chesterton village hall. And then a boiling breezy day at Bournemouth where yours truly had a long swim. So far no swine flu as far as I know – and strong endorsement from the membership to continue with the programme. So by popular request we have put the river trip back in (21st September) and another Banbury Carvery (13th October).

Many thanks for the offers of reimbursement from people who had to cancel at the last minute – we don't ask for this as people usually cannot help cancelling. All I would ask is that you let a committee member know as soon as you know you cannot come so that we can arrange a reduction and offer the place to people on the reserve list. It is great to see guests including the occasional grand-child.

*I have put the lists of people who have put their names down on the back of this Newsletter. **Please check and let me know if you want to take your name off or be added.** I will arrange transport as soon as we are clear about the numbers, avoiding coaches where possible.*
